

Instructions for Home Group Leaders on how to set up Facebook video conferencing for Home Groups

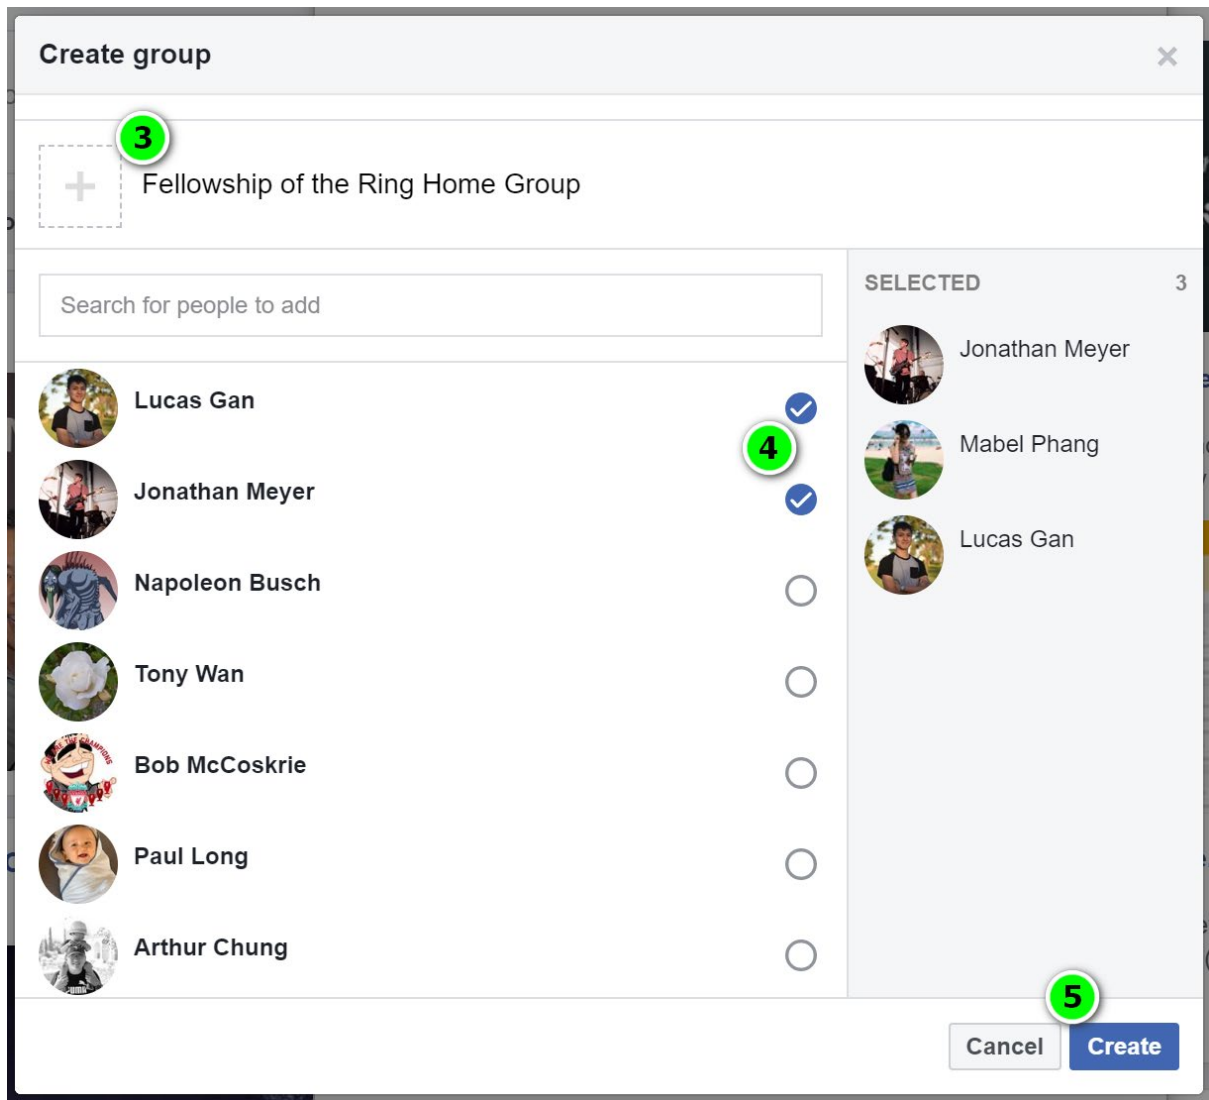

Before you start

- Please note that in a bigger group, only people speaking will have video streamed – also note that video calling isn't 100% stable as the Youth Group Committee have tested it – if this doesn't work, look into Zoom (see separate instruction sheet)

Create your Home Group as a Group

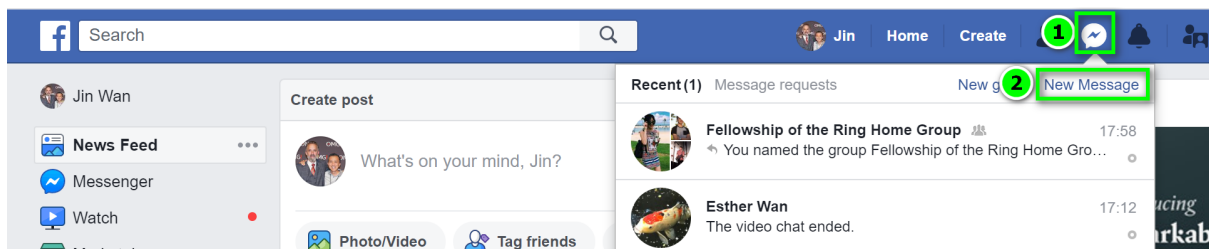

1. Click on the Messenger icon
2. Click on "New Group"

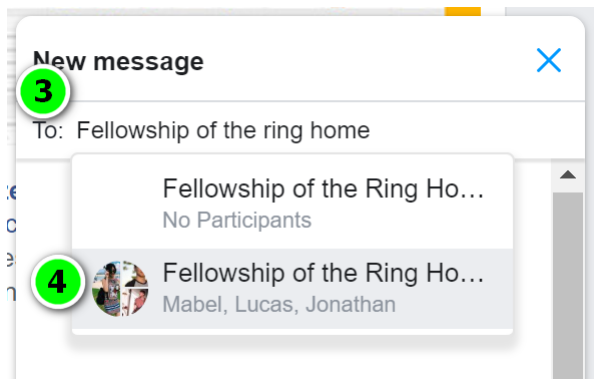

3. Name your Home Group
4. Find and add all your Home Group members into the Home Group
5. Click on "Create"

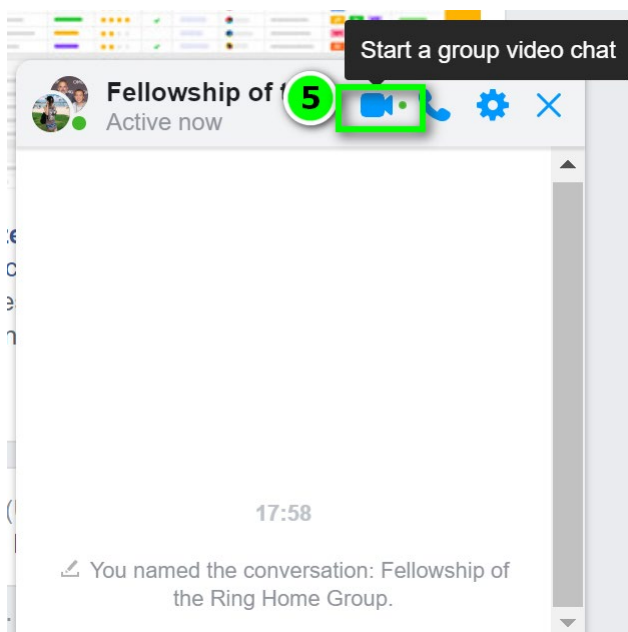

Video Calling your Home Group as a Group

1. Click on the Messenger icon
2. Click on "New Message"

3. Type in the Home Group name you set up
4. Select the correct one

5. Click on the Video Chat button, and you're away laughing with the Fellowship of the Ring Home Group!
